01 About the project

Townhouses with a modern spirit

in a small, quiet community in Al Qadisiyah

Najd 1 is a boutique collection of 24 townhouses in Al Qadisiyah, east Riyadh, where modern Italian design meets everyday comfort. Three floors behind warm façades, a private roof for every home and four en-suite bedrooms — with parks, mosques, a sports centre and entertainment all around. Handover is scheduled for Q3 2026, and every home comes fully finished with private parking.
