01 About the project

A residential resort in Al Rimal

on Khuzam Road, between the airport and Expo 2030

Najd 4 is a gated community of 146 homes in Al Rimal, on Khuzam Road. Low-rise buildings of no more than three floors frame a green spine, a pool, a gym and a children's play area. One-bedroom apartments, some with private gardens, and duplexes with a private roof terrace — fully finished with A/C, plus underground parking for every home.

146 homes in the project	**4** unit models	**3** floors maximum height
12 min to King Khalid Airport	**15%** off up to, by down payment	**2028** Q2 handover

02 Highlights

Gated community — privacy and security

Green spine — between the buildings

Pool & gym — inside the walls

Kids' play area — close to home

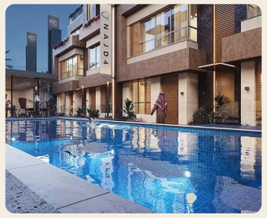

Underground parking — a space per home

The heart of the project

The green spine

A tree-lined walk runs between the buildings, overlooked by hanging gardens, leading to the pool and its lounges, the gym and the children's play area — everything you need, inside the walls.

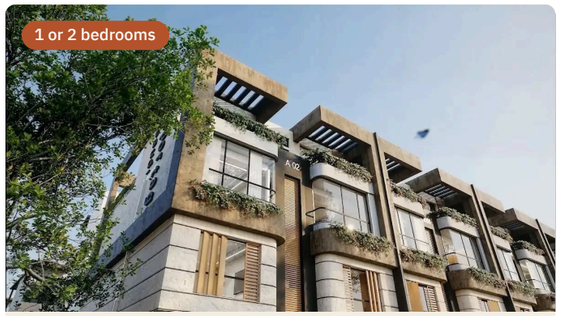

All images and designs are illustrative and subject to change
